Dear Sir:

Submitted herewith is one set (four sheets, four figures) of corrected drawings for filing in the above-identified patent application.

The Examiner objected to the drawings for reasons stated in the Office Action (Paper No. 6) dated December 7, 2000. Specifically, in Figures 1-4, paper size, margins and clarity. The enclosed new drawings correct these informalities.

Dated: November 17, 2005

Respectfully submitted,
